PRESS RELEASE

Historic Building Clearance

Take home a piece of history on Saturday, April 17, when the old Bank of Everglades Building is being emptied of its contents. Come along between 9:00 a.m. and 2:00 p.m. to Everglades City to select from a variety of items and leave a cash donation for the Renovation Fund. There are tables, chairs, lamps, pictures, CDs, books, and collectibles on offer.

The dignified edifice housed the first bank in Collier County from 1927 to 1962. It closed after the County Seat moved to East Naples and was then used as a boarding house or Bed & Breakfast until about five years ago.

Fortunately, the owner donated his landmark building to the Everglades Society for Historic Preservation who plan to restore it to its former glory. For more info, see www.evergladeshistorical.org or call Marya at (239) 695-2905.

DIRECTIONS:

The Bank of Everglades is the green building at 201 Broadway West, Everglades City, FL, 34139.

Take Exit 80 on I-75, drive south on SR-29 for 18 miles, cross US-41 and continue south on SR-29 for 4 miles. Go across the Circle in Everglades City towards the west and look for the green building.

If you are coming down US-41 (Tamiami Trail) from Naples drive about 25 miles from intersection with CR-951 and turn right (south) on CR-29. Continue 4 miles to Everglades City. Go across the Circle towards the west and look for the green building.
