EXCITING NEWS!

The owner of the old Bank of Everglades has generously donated the Building to us!

Now we face the daunting task of renovating it – fixing the foundation, repairing the roof, replacing windows & doors, installing an elevator and air conditioning, remodeling the interior – the task is mammoth!

We have started with a big clearing out and have filled three large dumpsters but we saved the good items for the Rummage Event on **Saturday, April 17** (see next page).

That's just the beginning. We have already received a comprehensive structural analysis of the building to identify the areas of concern.

The next steps include assembling the team to help guide the project forward and formulating a budget. Then, we will apply for grants and plan fundraising.

Our immediate concern is to weatherproof the roof and windows before rainy season.

Our future vision is to transform the downstairs into a permanent Visitor Center & Trail Town Headquarters with space for community events like exhibits, talks, and movies. The rooms upstairs will provide affordable rentable space for artists and small businesses.

To learn more, see our special new website where you can also donate: www.SaveBOE.com. For info, call Kathy at (954) 662-7003 or Patty at (239) 695-2397.

News from the Historical Library

THANKS to Cesar Becerra for donating copies of *Tequesta*, the Journal of the Historical Association of Southern Florida (now HistoryMiami).

The oldest one he gave us is Volume I, Number 3, dating from July 1943. The Editor was Charlton Tebeau (author of *Florida's Last Frontier*). Marjory Stoneman Douglas is on the Advisory Editorial Board. The issue includes an article entitled "Pioneer Women of Dade County" by Mary Barr Monroe, an early settler in Coconut Grove and vocal opponent against plume hunting.

If you have old photos and small documents, we can scan them in our office on the first floor of City Hall while you wait if you do not want to donate the originals. We also welcome old books of local interest. For info and to make an appointment, phone Marya at (239) 695-2905.

MUSEUM UPDATE

A new exhibit about Deep Lake is on show in the Pauline Reeves Gallery at the front of the Museum of the Everglades.

The site, about 15 miles north of Everglades City on SR-29, had a grapefruit farm which was bought by Barron Collier as his first purchase of land in this area. The name "**Deep Lake**" derives from the deep sink hole on the property, now part of Big Cypress National Preserve.

In preparation for the **Museum Birthday** and Tamiami Trail Anniversary, celebrated on **Saturday, April 24**, the Third Thursday Talk on April 15 will be about the building of the Trail. You can watch the lecture by registering at the County website www.colliermuseums.com.

For info, call the Museum at (239) 252-5026.

Marco Historical Events

There is an interesting remote "Zoom-In" talk on **Wednesday, April 21**, at 2:00 p.m. entitled "A Grab Bag of Old Florida Stories".

To register and see more events, visit www.theMIHS.org.

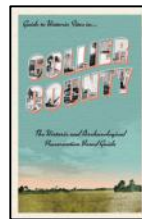

The Museum on 180 S. Heathwood Drive is open on Tuesday through Saturday from 9am to 4pm. The exhibits include the little Marco Cat which is on loan from the Smithsonian.

Naples News

Historic Palm Cottage at 137 12th Ave S. is open and is holding guided tours in the building and around the district.

For more info and to reserve your places, see www.napleshistoricalsociety.org or phone (239) 261-8164.

NEW HAPB BOOKLET

Copies are available at no charge in our Visitor Center and the Museum of the Everglades.

You can download a PDF from our website or directly from the County at www.colliercountyfl.gov (search for HAPB).
